

— WHO WE ARE

One point of contact, start to finish.

Swecha Enterprises is the exclusive Monarc distributor for physiotherapy and neuro-rehab equipment across Andhra Pradesh and Telangana — one team, start to finish.

- 01 Exclusive Monarc distributor.** Genuine equipment, full manufacturer backing, for AP & Telangana.
- 02 Quoted to your budget.** A written quote sized to your centre, no design conversation skipped.
- 03 Local first response.** Service, accessory repair and training, owned by Monarc and Swecha, not outsourced.

FREE CONSULT

Neuro-rehab & Balance systems

For patients moving from first mobilisation through to independent movement, with real-time progress data your clinicians can act on.

- Patient lifters, Sit-to-stand, Transfer aids and Walkers
- Hand rehab for all-finger motion, Load-free suspension mobilisation, and Active/passive cycles
- Balance assessment and training, Gait training, Robotic systems and Game-based exercise therapy

“One call, and it's handled — that's the difference with Swecha.”

Treatment & Therapy tables

The core equipment a physiotherapy floor runs on daily — sized and finished to match your treatment rooms.

- 3D cervical & lumbar decompression therapy tables
- 3-section electric, Bobath, Tilt and Manipulation tables
- Parallel bars, Staircase climbers and Quadriceps benches

EVERY BUDGET

Small clinic to full centre

Sized to your centre at survey, not before.

Physical medicine modalities

Laser and Shockwave for rapid pain relief and tissue repair, Combination electrotherapy-ultrasound for chronic and acute pain, and Cryo-compression to bring down post-op swelling fast.

- Combination therapy (Electrotherapy & Ultrasound) units, Class 3B/4 lasers, Shockwave and Magnetic therapy modalities for pain management
- Tecar & Radiofrequency diathermy for deep-tissue heating
- Contrast (hot/cold) therapy for post-op inflammation & swelling
